

VENDOR Guidelines During the Current Health Crisis

We're doing our best to make sure your visits to the Old Town Farmers Market are as safe as possible. For the foreseeable future, we ask that you join with us in following these guidelines.

VENDORS ARE REQUIRED TO PROVIDE AND WEAR A FACE COVERING OF SOME SORT, GLOVES, AND HAVE HAND SANITIZER AVAILABLE AT THEIR STATION. IF YOU DO NOT HAVE ACCESS TO THESE ITEMS TELL SARAH KEY*

VENDORS PLEASE STAY HOME IF YOU ARE NOT FEELING WELL. The combination of the end of cold & flu season, the onset of spring allergy season, and the current pandemic is resulting in a lot of stress and confusion for us all. Please be mindful of your fellow market patrons.

Please send only ONE or TWO people to work the vendor tent. No children will be allowed at the market at this time. DO not bring guests, friends, or socialize with shoppers for very long at the market. Guest will be following a social distancing line throughout the market moving from "X" to "X" when the next one is available.

Do not touch any products in any other tent than your own. We are trying to reduce points of contacts for the safety of everyone at the market. At the end of the market, vendors will follow the same social distancing "X" path through the market. Please point to the item you want and allow the vendor to package it for you.

We will suspend ALL sampling on ALL products while the current crisis lasts. NO SAMPLES OF ANY KIND ARE ALLOWED

Prices will be rounded to the nearest dollar (unless paying by credit/debit card). Do not accept coins as payments.

Maintain as much space as possible between you and your fellow patrons. Please allow only one patron to be at each vendor tent area at a time. As a vendor, PLEASE help keep guests on track with the social distancing line throughout the market and do not hold guests up from moving to the next "X" when available. This only works if we all work together!

Please make your transactions as quickly as possible so the customer can exit the market. We want to keep the gathering as small as possible at any one point in time while serving the maximum amount of people possible while the market is open.

I have read the above statements and will follow all Covid – 19 Guidelines for Vendors to the highest standard possible.
